Measurements for Rectangular Spandex Stretch Tablecloths

Measurements for Round Spandex Stretch Tablecloths

To ensure a proper fit of your tablecloth please send us your table measurements

Rectangular

Round

 **Leg Dimension A** _____

 **Leg Dimension A** _____

 **Leg Dimension B** _____

 **Leg Dimension B** _____

 **Table Length C** _____

 **Diameter C** _____

 **Table Width D** _____

For standard cocktail tables 30" x 42" we don't need these dimensions we just need the number of feet the cocktail table has.

Height of table from floor to table top _____

If we don't have measurements for your tablecloth we'll use our standard measurements. Our Spandex tablecovers are made to fit a standard Lifetime Brand table leg dimension.
 For a 6' L x30" W x 30" H table the leg dimensions are:
 24.75" from leg to leg on short side and 56.5" from leg to leg on long side.
 For a 8' L x30" W x 30" H table the leg dimensions are:
 24.75" from leg to leg on short side and 74" from leg to leg on long side.
