

Left Fin Seal.
This will be hidden
by the Right Fin Seal.

This area will be
covered once the
Fin Seal is folded over
in production.

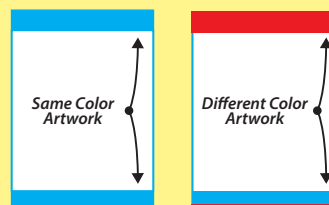

Right Fin Seal.
This will be visible on the
back of the bag. Art Placed
here will be partially on seal.

PLEASE BE ADVISED

During the printing and manufacturing process your artwork may sift up to .125" in and direction.

Because of slight shifting in the production of the bags, it is best to have the artwork/color of the TOP SEAL match the BOTTOM SEAL. This will ensure that if shifting occurs the bags will still look seamless and not have a thin strip of misplaced artwork/color.
